### Soratsugu Madoka (Enchu)

Muhyo's old classmate. Many thought he was destined to become an executor, but one event turned him traitor to the Magic Law Association.

### The Story

Magic law is a newly established practice for judging and punishing the increasing crimes committed by spirits: those who use it are called practitioners. One day, Muhyo and Roji receive a visit from Biko, an artificer and one of Muhvo's old classmates. She asks them to come with her to Arcanum, a prison that holds dangerous spirits. One of Biko's seals, which was used to keep the prisoners in, has broken, with tragic consequences. What's more, the seal that broke was on the lowest level, where the most dangerous spirits are imprisoned. Muhyo, Roji, Biko, and Biko's teacher Rio head into the Arcanum to face the most feared of all the Arcanum inmates: Face-Ripper Sophie! Unfortunately, Muhyo wears himself out while fighting other ghosts on the way down. He's at the point of exhaustion, and they've only just reached the bottom level...

### Yoichi Himukai (Yoichi)

Judge and Muhyo's former classmate. Expert practitioner of all magic law except execution.

### Yu Abiko (Biko)

Muhyo's classmate and an artificer. Makes seals, pens, magic law books, and other accoutrements of magic law.

### Rio Kurotori (Rio)

Biko's teacher and a renowned artificer. While artificers can make the tools of the magic law trade, they cannot use them.

## Dramatis Personae

### Toru Muhyo (Muhyo)

Genius elite practitioner of magic law, one of the youngest to achieve the highest rank of "Executor." Always calm and collected (though sometimes considered cold due to his tendency to make harsh comments). Muhyo possesses a strong sense of justice and has even been known to show kindness at times. Sleeps a lot to recover from the exhaustion caused by his practice. Likes: Jabin (a manga). Dislikes: interruptions while sleeping.

### Jiro Kusano (Roji)

Assistant at Muhyo's office and a "Second Clerk," the lowest of the five ranks of practitioners of magic law. Roji cries easily, is meek and gentle, and has been known to freak out in the presence of spirits. Irritated at his own inability to help Muhyo, Roji has devoted himself to studying magic law. Likes: tea and cakes. Dislikes: scary ghosts and scary Muhyo.
